

Rennie Memorial Medal

Applications Open 1 April and Close on 30 June.

Awarded by The RACI for Research excellence in Chemical Science

The award requires nomination by a RACI Member (MRACI and Above). The candidate is required to be a current member (for a minimum of 3 years) with less than 8 years professional experience since completing their most recent qualification of a BSc, BSc (Hons), MSc or PhD, or the equivalent. Career breaks will be recognised.

The nomination requirement is a current CV, synopsis of research work published during the last 10 years or equivalent relative to opportunity which has contributed most towards the development of some branch of chemical science plus referee report with contact details of no less than two referees.

Recipient Requirements

Membership type:	MRACI and above
Membership duration:	Minimum of 3 years
Demographic requirements:	Less than 8 years professional experience since completing his/her most recent qualification of a BSc, BSc (Hons), MSc or PhD or equivalent.
